In pursuance of the grant of aforesaid credit facilities, the Corporate Debtor and Guarantors executed the loan security documents on 28.12.2011 in favour of PNB consortium.

2.1. The Financial Creditor counsel further states that the Corporate Debtor executed Memorandum of Title Deeds on 14.02.2013 and the same was registered as Doc. No.645/2013, SRO, Virudhachalam to cover the credit facilities of Term Loan of ₹ 60 crores extended by the Financial Creditor. The Corporate Debtor gave consent to the Financial Creditor to continue to hold and retain the existing title deeds as security on the company's immovable property together with buildings and structures, plant and machinery situated at Kanadhukandan village, Virudhachalam Taluk, Cuddalore District on 1st charge basis to Corporation Bank of its Term Loan of ₹ 40 crores and on 2nd charge basis to L&T Infrastructure Finance Company Ltd, Punjab National Bank,

Canara Bank, Union Bank of India, State Bank of India, Andhra Bank, Indian Bank and Lakshmi Vilas Bank. Further, the Corporate Debtor had executed revival letter on 26.12.2014 to cover the total fund-based exposure of ₹ 200 crores and non-fund based exposure of ₹ 28.35 crores in favour of Creditor Bank.

2.2 The Financial Creditor counsel submits that since the Corporate Debtor was not in a position to service the liability, the Industrial Finance Corporation of India Ltd (IFCI Ltd) had formed a Joint Lenders Forum in order to identify incipient stress in the account of the Corporate Debtor and classified the account as 'Special Mention Account (SMA)' in terms of guidelines issued by Reserve Bank of India. In a bid to tide over the business operation, the Corporate Debtor sought for sanction of Export Performance Bank Guarantee (EPBG) facility vide loan application dated 10.01.2015. In consideration of the grant of aforesaid EPBG facility, the Corporate Debtor had offered collateral security of 1st pari passu charge on all present and future fixed assets of the company (excluding current

assets of distillery and co-generation division). On the request of Corporate Debtor vide letter dated 19.10.2015 for release of undisbursed amount against the EPBG facility of USD 43 million, non-fund based facilities aggregating to USD 95.91 million equivalent to about ₹ 595.08 crores was sanctioned for which Corporate Debtor executed loan security documents and general counter indemnity on 04.06.2015.

resulting in the loan accounts becoming NPA on the following dates:

IDBI Bank Ltd.	02.10.2018

2.6. The Financial Creditor counsel submits that all the original documents are deposited with security trustee namely, IDBI Trusteeship Services Limited. Since the loan accounts had become NPA, the demand notice sent through security trustee on 05.11.2018 evoked no response and the Financial Creditor also caused on 11.02.2019 to the Corporate Debtor but for no avail. Since the Corporate Debtor has not come forward to repay the loan amount, the Financial Creditor and other banks have jointly filed OA. No.262 of 2019 for recovery of

₹643,10,31,414.99 crores as on 14.01.2019 before DRT-II Chennai and it is pending for adjudication.

3. The Corporate Debtor counsel submitted that prolonged drought and shortage of cane took a heavy toll on the availability of molasses and bagasse for viable operation of the distillery and co-generation plants and that these factors had already been brought to the attention of Bankers and it had proposed one Time Settlement (OTS). The Corporate Debtor made a request that the recovery proceedings initiated before NCLT/DRT may be kept in abeyance and in case of accounts already admitted by NCLT, banks may defer holding meetings of CoC till a decision is taken on request for restructuring of loans which will help the financially stressed sugar mills to start the crushing operations immediately and motivate cane farmers to do more cane planting during the current season in the backdrop of good monsoon rainfall. These measures will help around 25,500 farmers in the State to get their cane dues and also revive the Tamilnadu Sugar Industry which is the life-line for the farmers.

4. On perusal of documents, it appears that the Corporate Debtor has not denied having availed credit facilities, creation of mortgage, and classification of the loan account as "*Non Performing Asset*" and the non-payment of the loan amount. The Corporate Debtor and its Guarantors are jointly and severally liable to pay the outstanding amount against the loans availed by the Corporate Debtor. Since the Financial Creditor has proved existence of debt and default and there being no denial from the Corporate Debtor with respect to the outstanding amount of ₹2,83,10,52,539.32 as on 14.01.2019, we hereby admit this Application by appointing Mr. Anurag Goel as Interim Resolution Professional (IRP), as proposed by the Financial Creditor.
